Re: PFCA, PFOA, PFOS or PFHxS Content in Alpha Products

Please be advised that all Alpha Wire Products do not contain PCFA, PFOA, PFOS or PFHxS at a level above the 25-ppb.

In addition, this product may be compliant with other environmental initiatives. Please see the Alpha Customer Specification for details.

This determination is based upon obtained from sources which Alpha believes are reliable, and from random sample testing; however, the information is provided without any representation of warranty, expressed or implied, regarding accuracy or correctness. Alpha does not specifically run any analysis on our raw materials or end product to measure for these substances.

The information provided in this Product Disclosure, and the identification of materials listed as reportable or restricted within the Product Disclosure, is correct to the best of Alpha's knowledge, information and belief at the date of its publication. The information provided in the Product Disclosure is designed only as a general guide for the safe handling, storage, and any other operation of the product itself or the one that it becomes a part of. This Product Disclosure is not to be considered a warranty or quality specification. Regulatory information is for guidance purposes only. Product users are responsible for determining the applicability of legislation and regulations based on their individual usage of the product.

Authorized Signatory for the Alpha Wire:
