To Whom It May Concern:

Re: Health Canada's Identification of Medical Devices Containing DEHP or BPA

The products of Alpha Wire do not contain DEHP or BPA in excess of 0.1% weight/weight.

<i>Substance Name</i>	<i>CAS Number</i>
Bis (2-ethyl(hexyl)phthalate) (DEHP)	117-81-7
BPA, 4,4'-(propan-2-ylidene)diphenol (BPA)	80-05-7

The information provided in this Product Disclosure, and the identification of materials listed as reportable or restricted within the Product Disclosure, is correct to the best of Alpha's knowledge, information and belief at the date of its publication. The information provided in the Product Disclosure is designed only as a general guide for the safe handling, storage, and any other operation of the product itself or the one that it becomes a part of. This Product Disclosure is not to be considered a warranty or quality specification. Regulatory information is for guidance purposes only. Product users are responsible for determining the applicability of legislation and regulations based on their individual usage of the product.
