

PRODUCT CHANGE / END OF LIFE NOTICE

May 20, 2020

Dear Valued Customer,

The Alpha Wire portfolio requires regular review to ensure our products continue to offer the most updated features and benefits, in addition to the highest quality.

Effective immediately, a portion of our products are now **available upon special request only** with high minimum order quantities. These changes are due to the lack of market demand and/or the application specific nature of the products. A detailed list of all the affected parts can be found at the end of this letter.

If you have any questions or require assistance regarding these products, please contact your Alpha Wire sales representative or channel partner.

Sincerely,

Omar Qayyum
Associate Product Manager
Alpha Wire
