Dear Valued Customer,

The Alpha Wire portfolio requires regular review to ensure our products continue to offer the most updated features and benefits, in addition to the highest quality. Existing inventory will be available until November 12, 2021, and no new orders will be accepted after this date.

A detailed list of all affected part numbers can be found at the end of this notice.

If you have any questions or require assistance selecting alternative products, please contact your Alpha Wire sales representative or channel partner.
