

PRODUCT CHANGE / END OF LIFE NOTICE

November 17th, 2015

Dear Valued Customer,

The Alpha Wire portfolio requires regular maintenance to ensure our products continue to offer the most updated features and benefits, in addition to the highest quality. As you are aware, there are many reasons which cause a product to require a change or to reach an end-of-life status. These reasons include when products mature and are replaced by new technology, changing industry standards, lack of demand from the market, significant changes in the product itself, or the technology has come to a point where it is no longer cost effective.

In an effort to streamline our product offering, I am announcing the following changes to Alpha Wire's product portfolio, effective November 17th, 2015:

Discontinuing the following part numbers:

- 6112
- 6113
- 6115
- 6116
- 6117
- 6118
- 6119
- 6120

These items will be available in the future as special part number with a 10,000ft minimum order quantity once our current stock has been sold.

Should you have any questions, please feel free to contact your Alpha Wire representative or channel partner.

Sincerely,

Kristen Elwell
Sr. Product Manager
Alpha Wire
