

**16 May 2024****Announcement of Product Change Notification**

This letter informs you that Belden plans to execute a Product Change (PCN) process for select Hirschmann Valve connector products.

After thoroughly reviewing the existing product portfolio, we have decided to update the GAN molded valve technology for labeling the connector body.

Please don't hesitate to contact Belden representatives with any questions or concerns.

PCN No: 10052024 PCN- GAN White Lables
Customer: All customers who purchase molded GAN connectors
Change Title: GAN Label
Product Category: Valve, Form A

Change Classification: Minor Major

Change Item: Design Raw Material Packaging Firmware Others

Reason:

Consolidation for existing labelling technology used between Belden Connectivity and IO modules to one solution.

Change Description:

The scope of the change includes a tooling modification to accommodate the size and shape of the new label.

The dimensions for the label will change from 20x7 to 20x8 mm.

Implementation Plan:

Effective: August 5, 2024

Impact of Change:

The change has little effect on customers currently buying Hirschmann molded valve connectors because Belden includes the label with each purchase; however, please be aware that the labels will not be interchangeable between designs.

Belden will allow the purchase of spare labels for the current version for up to six months after implementation of the PCN.

Fit: label insert | **Form:** No change | **Function:** No Change | **Reliability:** No change | **Others:** n/a

Warranty Information:

The normal warranty conditions apply to all products delivered up to the last delivery date. For more information on Belden's Long Term Product Support Policy for Industrial Networking products, please visit www.belden.com.

Individual contracts that are in effect and in effect prior to the date of the announcement of the discontinuation regarding product availability, warranty and support agreements will continue to be fulfilled according to the terms of this contract.

If you have any questions about the selection of alternative products or require assistance, please contact your Belden Sales Representative (International Contact Information)

Comments:

Please send you or your customer comments or requests for additional information to the contact listed on the form.

Actions:

Please forward this important information to your customers. Also, please inform your purchasing, development, product departments, and other responsible persons effected by the product change.

Distributors are advised to forward this information to their customers who are buying the listed products.
